New Council Bans Fireworks -- Protests Fare Hike -- Plans Charter Inspection

Reviewing changes in the City Charter revision, banning the sale of "safe and sane" fireworks in Albany and fighting Key System fare increases were among the many items discussed and approved by the new City Council Monday night in a two-hour session which attracted over 200 people.

A request to review changes in the Charter revision was made by Councilman Kathie Zahn, who said that the revision is being made to correspond with a council-manager form of government.

Mrs. Zahn said if the manager plan is defeated here at the June 6 election the Charter would have to be revised again.

Mayor Frank Graeber said he would call a special meeting within the next few days in which the Council could discuss the changes with Allen Grimes, Oakland Attorney hired by the City to draw up the new Charter.

Prohibiting the sale of "safe and sane" fireworks was also proposed by Mrs. Zahn on the recommendation of Fire Chief Fred Pimental.

Pimental pointed out to Councilmen that the fireworks were dangerous and that other Bay Area cities—except the exception of San Leandro—had already outlawed them.

The measure was approved 4 to 0 with Councilman Jerome Blank not voting. Blank said he wanted more time to consider the proposal.

The Council gave City Attorney Edward R. Ploner authority to fight Key System rate increases along with other Bay Area cities.

Councilman John C. Longaker requested that the City Attorney prepare a survey relative to the City's

position in connection with the two per cent revenue tax applicable to the Santa Fe and Southern Pacific railroads, Pacific Gas and Electric Co., Pacific Telephone and Telegraph Co. and others.

Longaker said that the City wasn't collecting revenue from any of its franchises. He said the City hasn't

collected any revenue from the Key System in "20 years."

It was pointed out that the telephone company only furnished free phone service to the City Hall for its revenue obligations.

In other business the Council:

1. Agreed to consider a proposal made by Mrs. Zahn to place the City (Continued on page seven)

Rotarians Take Visual Tour of Juvenile Camp

Albany Rotarians took a visual tour of the Alameda County Boys' Camp (Chabot Ranch) at the Monday luncheon in an address given by Superintendent Alfred Collins, who has headed the juvenile rehabilitation center for boys since its founding in 1947.

Speaking on the topic "Correction Work for Problem Boys," Collins described the daily work and educational program of the ranch to rehabilitate the 14 to 18 year-old wards of the Juvenile Court who were unable to respond to treatment in probation homes.

Located in East Oakland on the site of the old County prison farm, the ranch operates on the honor system using a non-confining program. Boys attend school for one-half day, while the other half is spent doing chores about the ranch along with recreational and entertainment activities, Collins said.

"Over 300 boys have passed through the camp in the past three years," he said, "with less than 25 per cent of that number breaking the law since their release."

The Club presented individual trophies to members of the bowling team for winning the Service League championship at Albany Bowl Awards went to Joe Villa, Joe Dagna Jr., Frank Lacy, Eddie West, Herb Foley and the Rev. Robert Benefiel.

Special recognition went to Benefiel on behalf of the team for his outstanding progress as an "amateur" bowler.

Dist. Gov. Al Hackin of the Albany Club urged 100 per cent attendance at the Regional Conference meeting at the Hotel Claremont Sunday, Monday and Tuesday.

Jack Snook, manager of the University of California housing project, was recently appointed to the Board of Directors.

Midnight Box Fete Benefits Hospital

The home of the Joseph Yovino-Youngs at 707 Gateview Ave. last Saturday evening was the scene of the annual spring benefit social given by members of the Elm Branch, Children's Hospital of the East Bay.

Vienness was the theme carried out for the midnight box supper, with approximately 25 couples attending in gay and colorful costumes.

Each lady presented a beautifully decorated box filled with a surprise dinner, which was auctioned to the highest bidder at midnight following an evening of gay festivities and dancing.

Alexander Hackin was the auctioneer selling for \$20 each. All proceeds went for the benefit of the Children's Hospital.

Among those present were Messrs. and Mesdames Martin Griffin, Louis Piziali, Edward Haran, Joseph Villa, Robert McMahon, Walter Cleary, Alexander Hackin, Adelbert Kruger, C. Frederick Peak, Irwin Johnson, Max Etingoff Jr., and H. D. Bones.

Prospectus of the Albany Recreation Department re-opening its workshop was the principal topic of discussion at a meeting of the Mother's Club of Scout Troop No. 45 held recently at the home of Mrs. Alfred Lingo, of 628 Stannage Avenue.

The power tool equipment in the craft room has not been used by boys and girls since 1942, according to Mrs. Edel Lochbecke, president. She said that it is the hopes of the club that arrangements can be worked out with the Park, Planning and Zoning Commission to make the craft room facilities available again.

A pot luck supper is planned for 6:30 p. m. Tuesday, May 2 at Camp Herms, followed by a Court of Awards.

New members welcomed into the Club recently include Mrs. Alfred Lingo, Mrs. W. Williams, Mrs. Marie Porter and Mrs. Olene Chapman.

Dessert and coffee were served by Mrs. Lingo and Mrs. Chapman, co-hostess.

Jaycees Move To First Place In Ball League

Albany Jaycees moved up into first place Sunday in the Albany Recreation Department Softball League game played at Memorial Park, scoring over the Cavaliers 5 to 4.

Going to bat in the last half of the seventh inning, with the score 4 to 3 favoring the Cavaliers, Charlie Tschanner led off with a single scoring on Willie Buechels double. Then the game was tied.

The Cavalier's strategy called for deliberately walking the next batter, Jerry DeMaria. However, De-M araelechi V. atcmfywphrdluu Maria reached outside and smashed one into right center field driving the winning run across.

The Marin Dads won an easy victory over Albany Eagles in a game at Codornices by a lopsided score, 22 to 4. Pitcher Hoard Bauer had a perfect day at the plate hitting 6 for 6.

In the second game, which proved to be the longest in the League's history, the Codornices Athletic Club and El Dorado Oil battled it out for 12 innings with the final score 7 to 5 favoring Codornices. Leading batters for Codornices were Elson Johnson, Edward Haas and Aaron Smith.

Gillvets forfeited their game to Albany Maccabees.

League play will continue 10 a. m. Sunday at Memorial Park and Codornices Playground.

Mrs. Galbraith Heads High School PTA Unit

Mrs. H. L. Galbraith this week was elected to head the Albany High School PTA for the 1950-51 term, it was announced today by Mrs. S. E. Odegard, retiring president.

Unanimously elected to serve with Mrs. Galbraith were Mesdames Roland R. Grisham, first vice-president; Walter E. Johansen, second vice-president; L. G. Evers, recording secretary; W. B. Norton,

financial secretary; E. McConnell, treasurer; M. Zack, corresponding secretary; George Klarmann, auditor; W. L. Collyer, delegate to Council; Mrs. Odegard, parliamentarian, and Miss Sophie Ryan, historian.

The president-elect will represent the PTA unit at the California Congress of Parents and Teachers Convention meeting in Santa Cruz in May.

COMMUNICATED

Editor:

We take this method to thank the men of the Albany Police and Fire Departments for their efforts on April 14, when called to attempt resuscitation of Claude W. Anderson at the instance of a fatal heart attack. Although all efforts were futile, we are none the less sincerely

grateful.

"Now Is the Time to Clear Those Weeds"

Albany Fire Chief Fred Pimental today reminded local residents that now is a good time to clear high grass away from fences and hedges before the ground becomes too hard. "Clearing grass is a simple chore at this time of year," he said, "since the soil is damp, making the grass pulling much easier than waiting until the dry season sets in."

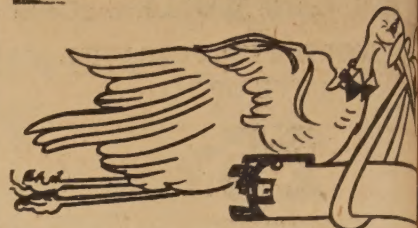

After weeds are pulled, Pimental said they should be piled away from any structure for drying. Then the weeds should be burned after obtaining a fire permit from the Fire Department, 801 San Pablo Ave.

ALBANY TIMES
Friday, April 28, 1950

Pimental said weeds may be carried directly to the City Dump, open daily from 8 a. m. to 3:45 p. m.

Something to crow about!

Mercury owners are mighty proud these days to be driving the car that
is the center of attraction in the entire automotive industry. They are
enjoying the extra economy of Mercury's thrifty "Hi-power Compression"
engine that won the entire Grand Canyon Economy Run at 26.5 miles
per gallon. They are rejoicing in the extra muscled smoothness
of Mercury's V type, eight cylinder powerplant that is crowning new
champions at "speed tracks" everywhere. Drive a Mercury for ten minutes,
and you'll find plenty to crow about, too. Super-safe "Auto-Acting"
brakes that utilize the forward motion of the car for sure, smooth
stops. Two-tone "Customized" interiors with "Lounge Rest" foam rubber
seats. No wonder so many Westerners are driving this luxurious
3600 pound Mercury on terms as low as \$49 a month.

Here's record-breaking proof of Chevrolet Truck Value . . .

Chevrolet dealers are selling more than

1350 CHEVROLET TRUCKS

A DAY!*

Performance Leaders

The most powerful trucks and finest performers Chevrolet ever built. The great new Load-Master 105-h.p. Valve-in-Head engine provides higher pulling power and faster acceleration for heavy-duty hauling. Improved, more powerful Thrift-Master engine, too!

Price Leaders

From start to finish, you're money ahead with Chevrolet trucks. Chevrolet's rock-bottom initial cost—outstandingly low cost of operation and upkeep—and high resale value, all add up to the lowest price for you.

Popularity Leaders

Final and official 1949 registrations show that in every State in the Union more people bought Chevrolet trucks than any other make. In total, Chevrolet trucks were preferred over the next two makes combined—convincing proof of greater value.

Payload Leaders

You can haul more goods more miles—at lower costs per ton mile—in Chevrolet trucks. Advance-Design and rugged construction bring you important savings in operating and repair costs. Greater hill-climbing power and faster getaway reduce total trip time.

No other truck ever came close to this record . . .
 Proof again that Chevrolet trucks are Popularity Leaders because they're Value Leaders!

America's truck buyers are careful buyers. They compare features, compare performance, compare value. They buy on facts, not claims. And that's why they are buying new Chevrolet trucks at this record-breaking rate—buying more Chevrolet trucks by far than any other make. What greater proof could there be that Chevrolet is the truck for you, too! Come in and look over the Advance-Design models. Big, rugged, heavy-duty trucks with more power than ever. Trucks for every trade and every need. Come in today!

*We and other Chevrolet dealers throughout the nation have just completed the greatest truck-selling month in our history—delivering new Chevrolet trucks at the record-breaking rate of more than 1350 a day.
